This elegantly tailored throw blends pima cotton and alpaca in a soft, lustrous weave. It is light in weight but the silken fleece of the alpaca makes it invitingly warm as well. Two quietly harmonious colors are interwoven in a flat basketweave pattern and finished with a hand-knotted fringe.

Available in Chocolate, Cream, Honey, Lake, Meadow, Paprika, Sand, Sea Mist, Truffle.

Kenton \$150.00

Meandering peony flowers, vines and berried fruits are etched in woven twill of 100% fine Merino wool. A fantastically thermal fiber, this warm and comfy throw is woven in two hues, so motif colors reverse on the flip side. Finished with a knotted fringe. Available in Aloe, Auburn, Cream and Lake.

Celine \$70.00

Cotton, when brushed, undergoes a transformation that gives it a plush, alluring texture this side of heaven. This throw blends soft color with cream in a herringbone weave and finishes it with a twisted, natural fringe.

Available in Blue, Chocolate, Lilac, Moss, Mushroom, Paprika, Slate Blue, Wheat and Willow.
